

Sankofa Twi — Everyday Life

Twi Review & Recording Sheet (Course 2 · Premium)

This covers the Everyday Life units — your first paid course, so it must be flawless before billing goes live. Same two jobs as the Foundations sheet:

1. Twi reviewer: tick OK? if the Twi and English are correct; otherwise write the fix in Fix / correction. Check spelling (ɛ, ɔ), meaning, and whether examples sound natural.
2. Recorder: once a row is confirmed, read the bold Twi aloud — warm, clear, one word at a time with a short pause.

★ = key word. Example sentences are marked.
